BRICK WALLS

D# G#
Brick walls listen better than you
D#
What I say might bounce back
  A#
But at least it don't go right through

chorus:
G#
We both know you're not all there
  D#
But sometimes you're not there at all
A# D#
Please don't make me leave you for a brick wall

D# G#
Brick walls are more dependable than you
D#
They might not mow the lawn
  A#
But at least they don't leave me blue

[chorus]

G#
I don't need the whole damn world to hear
D# A#
Just for you to listen when I scream into your ear

Except the problem is…

D# G#
No brick wall is as loveable as you
D#
I can't help the way I feel
  A#
For once just hear me through

[chorus]
