

ETERNITY BLUES

D G
My eyebrows keep on growin', even though I died
D A
They just won't stop growin', even where I lie
G D
Two bushes six feet under, right before my eyes

D G
She's hollerin' at my headstone, I didn't pay the rent
D A
Flippin' off my headstone, the money's all been spent
G D
She sold my few possessions, bought herself a tent

D G
My tap shoes keep on tappin', surely they are cursed
D A
Tap shoes tap-tap-tappin', worse has come to worst
G D
You can get 'em at the Goodwill, Bojangles had 'em first

G D G D G D A

D G
Eternity lasts forever, it don't ever end
D A
It just keeps on going, does nothing but extend
G D
Meet me on Halona Beach, it's right around the bend
A G D
Kiss me on Halona Beach, my eternal friend
