

# LONELY ROSES

Bm

Valentine's Day is over with

Bm

Am

The flower shop is closed for the night

Bm

All the lonely roses bow their heads

Bm

Petals are the tears they shed

Am

The silences they cry

Am

To have so much love to give

Bm

And no one to give it to

Am

Be glad you have it to begin with

Bm

Am

Everything begins with you

Bm

Now it's almost sunrise

Bm

Am

The flower shop won't open for a while

Bm

All the lonely roses give their red

Bm

Am

To the dark blue horizon up ahead

Am

Bm

All of this for you, sweet valentine
