

MY BABY'S AWAY

C
My baby's away, my baby's away
C F
I don't shave when my baby's away
F C
I don't shave and I don't bathe when my baby's away
G C
You can tell by the way I smell that my baby's away

C
My baby's away, my baby's away
C F
I don't eat when my baby's away
F C
I don't eat and I don't sleep when my baby's away
G C
You can't even see me breathing when my baby's away

F
My baby's away, my baby's away
C
I don't dance when my baby's away
F G
You will know to leave me alone when my baby's away

C
My baby's away, my baby's away
C F
I squeeze my baby's pillow when my baby's away
F C
I squeeze my baby's pillow and I cry a weeping willow when my baby's away
G
Just one look at me and you will plainly see
C
My baby's away
