

RED CARPET

A
When you're the only one in the world who's awake
Bm
Walking the streets way before daybreak
D E
Dead in the dead of night yet still alive
A
When the only place that's open is your heart
Bm
Broken into and picked apart
D E
And the lights change for nothing, you're all alone

chorus:

A E
Don't look back, keep going
D A - E
You have never been misled
A E
A red carpet's rolling out right under your feet
D A
All you'll ever need is straight ahead

bridge:

F#m C#m
Don't touch the phone, don't read the note
D C#m
Don't look at the picture again
F#m C#m
Just walk down the street, find something to eat
D E
All beginnings start with an end

A
When you're the only one in the world who you know
Bm
All too well and yet not well at all
D E
And your frown in a puddle makes you cry
A
When all you believed was never true
Bm
Like an April Fool's joke God played on you
D E
And coffee doesn't do it anymore

[repeat chorus + two last lines]
