

ROAD OF SNOW

C Dm
The road is closed tonight, nothing but snow tonight

C Dm
Nothing but snow

C Dm
There's no bus or cab, just these feet I have
Dm C Dm C Dm

Deep in snow on the road tonight

C Dm
My loafers in the snow tonight are my snowshoes tonight

C Dm
These are my shoes

C Dm
I don't need a snowmobile or toes that I can feel
Dm C Dm

In the snow on the road tonight

Em Dm
Can't tell sky from earth, air from skin

Em Dm
Where do snowflakes end and you and I begin?

C Dm
I'll be there tonight, running a little late tonight

C Dm
I will be there

C Dm
I promise you I'm on the road, my footprints are in the snow

Dm C
On this road of snow tonight

Dm Em C
On this road of snow tonight
