

SOMEONE BROKE THE WORLD

A#

Someone broke the world and just left it like that

D#

Walked away like they didn't care

A#

If that don't make you cry, take off that paisley tie

F

How much armor can you wear?

Gm

A handyman'll be here in no time flat

F

D# F

Someone broke the world and just left it like that

A#

Someone broke the world and just left it like that

D#

How do you explain that to the kids?

A#

Say it's no big deal, finish your oatmeal

F

Soon we'll all be on the skids

Gm

Campfires dying by the railroad tracks

F

D# F

Someone broke the world and just left it like that

D#

A#

Someone broke the world no matter who you blame

Gm

F

The world is broken just the same

A#

Someone broke the world and just left it like that

D#

Took off in a spaceship fulla dough

A#

All the rest of us need to make a fuss

F

We've got nowhere else to go

Gm

All our hats are looking like mad hatter's hats

F

D#

Someone broke the world and just left it like that
