

## SOMETHING STUPID LIKE ME

F Am Gm  
It ain't worth it to be right  
Gm A# F  
It ain't worth one more fight  
F Am A# Am Gm  
I would rather be wrong than waste this night  
Gm C  
Letting something stupid like me come between us

F Am Gm  
I've had shit in my ears  
Gm A# F  
Head up my ass for years  
F Am A# Am Gm  
I'd rather get the guillotine than all these tears  
Gm C F  
When something stupid like me comes between us

A# F A# F A# F C

F Am Gm  
I'm a dandelion gone gray  
Gm A# F  
My old stuff blowing away  
F Am A# Am Gm  
I would rather the wind have its way  
Gm C F  
Than let something stupid like me come between us  
Gm C F  
Don't let something stupid like me come between us
