

THE BAD LUCK HOTEL

B E
The Bad Luck Hotel has only one floor, I'm in Room 1304
B E
Mirror broken, hat on the bed, black cat ran in front of me, didn't have a head

When they see you coming, they don't ring a bell
E B C#m
You carry your own baggage at the Bad Luck Hotel

B E
The Bad Luck Hotel has no ice machine, my TV doesn't work, it's the one without a
screen
B E
Thought I'd try room service, dialed 666. All I got was more bad luck and crackers hard
as bricks
C#m
If you do not visit me I think that's just as well
E B C#m
Bad luck's contagious at the Bad Luck Hotel

All the luck that comes my way, it's all on me. Lucky to have your love, too blind to see

B E
The Bad Luck Hotel is kicking me out, I take up too much room with all of my self-doubt
B E
Maybe it's a sign my luck's about to change, we could always start again, an innocent
exchange
C#m
If not, I understand, I only wish you well
E B C#m
It's check-out time for me at The Bad Luck Hotel
E B
Never coming back to The Bad Luck Hotel
