

UNCHOSEN ROSES

Bm
Valentine's Day is over with
Bm Am
The flower shop is closed for the night
Bm
The unchosen roses bow their heads
Bm
Petals are the tears they shed
Am
The silences they cry

Bm
To have so much to give
Am
And no one to give it to
Bm
Be glad you have it to begin with
Am
Everything begins with you

Bm
Now it's almost daybreak
Bm Am
The flower shop won't open for a while
Bm
The unchosen roses give their red
Bm Am
To the blue horizon up ahead
Am Bm
All of this for you, sweet valentine
