Late-day sun the day before, just about to drop
C G Em
Jesus cannot be unborn, the tree's got a star at the top
D C G
Here comes Christmas without you, like a train I cannot stop

G C
Here comes Christmas without you, the calendar doesn't lie
G D
Those old hands on the kitchen clock still waving you goodbye
C G Em
Your name wasn't on my list when I went out to shop
D C G
Here comes Christmas without you, like a train I cannot stop

Here comes Christmas without you, my feet are getting cold

Here comes Christmas without you, like a train I cannot cannot cannot
C G
cannot cannot stop
